

Guidelines for The Angela Uzielli Bursaries

Hugh and Catherine Stevenson, friends of the Uzielli family, have very kindly provided the founding capital for Bursaries to be known as “the Angela Uzielli Bursaries”.

The Bursaries will be awarded to promising girl golfers who wish to further their education at University or College, within the British Isles, after school academic year 12, and at the same time continue to develop their golfing skills. They should be of English nationality by birth or have either parent of English nationality, or have been resident in England for the last two years.

The Bursaries are to provide financial assistance for educational expenses of girls in further education. The awards will be administered through the ELGA Trust.

It is intended that the income from the capital will fund up to four Bursaries at any one time, of up to £1250 - £1500 each per annum.

The Bursaries will be awarded to students who have a financial need and will continue for the duration of their academic course. However, they will be reviewed annually and the students will need to show that their enthusiasm and commitment to their golf have been satisfactory before the next year's funds are released.

County Junior Organisers can obtain application forms from the EWGA Office from July each year and they should be sent to any promising girl who is starting University or College and has a place for September that year. Applications should be submitted to EWGA by 1 September in the year of entry.

Applications from students should be returned to the appropriate County Junior Organiser who will provide a recommendation and confidential report on the girl concerned, including if possible, some information about financial need. These will then be submitted to the ELGA Trust Management Committee who, in consultation with Mr John Uzielli, will make the final decision on the granting of the Bursary.

The annual review procedure will be undertaken as follows:-

The recipients will be required to provide a statement of their golfing and academic progress to the ELGA Trust Management before 31 July of each year.
